2015 Spring CSA Member Application

Join Andy's Specialty Garlic & Produce Summer CSA and receive some of the best tasting vegetables around! We are a small family run farm with a commitment to feeding people good food through sustainable growing practices. We would love to have you as one of our members!

Andy's Specialty Garlic & Produce has been Certified Organic through NOFA-NY since 2013. No pesticides, herbicides, fungicides or treated seeds are used. We don't even use any organic approved pesticides. We maintain and increase the fertility of our sandy loam soils through cover cropping, crop rotation, mulches, compost, and bagged organic fertilizers and minerals. Healthy soils produce better tasting and more nutritious vegetables. For more information see our website: andysgarlicandproduce.com
